current plan could be split into two or the other that we choose

All in one, best study tool
With best prices

font inter may be?
colours black and white - too basic
- we need colours that pop
- yellow, blue
- mix dark of blue

Free Plan	Weekly plan	Monthly Plan	Yearly plan
			Best Value 60\$/year

prices should depend on the number we are charging
or we could do smith like
Basic Premium
- limited things
- the more study material
We can also have one credit on purchase 30% off what they could be
We can also have a lifetime subscription
